18 January 2022

Dear Alex Family Members

Collection of Matric results

I trust that you and your family had a restful festive season and that you are ready to take on the challenges of 2022.

We expect to fetch the Matric results on Friday during the morning from the District Office. We will have them ready for collection from 14H00 until 15H00 on Friday afternoon from the hall. We will also have the yearbook for those who ordered it and the testimonials for those who submitted their forms last year.

You should be able to register with the DBE to see your results using the exam number from the entry letter used for exams last year. If you have lost your exam number, please contact us and we will give it to you. This system should send you your results very early on Friday morning. As of the court ruling yesterday, they will now still be published through various media platforms.

Please don't arrive at school earlier than 14H00 expecting to get the results because we still need to do some admin on them before they can be handed out. We are happy to give results to parents or guardians, but we will not be able to hand them to friends or siblings.

If you cannot make it to school on Friday, please e-mail me and I will arrange for a digital copy to be sent to you.

IMPORTANT NOTE: Please do not apply for remarks, rechecks or inspection of exam papers via the District Office or the online portal suggested on the reverse of your results. We have found that those mechanisms don't give us the opportunity to follow up on your behalf timeously. Please submit your requests to us at school. We will provide dates for submission in due course. We look forward to celebrating with you on Friday.

Yours faithfully

Matthew Ridgway
Principal
