Dear Alex Family Members

## Grade 8 parents' braai

We have not stated our journey together under the best of circumstances. By this time in the year we would normally have seen each other 3 times. We normally have a meeting in October before the Grade 8s start with us. We then meet in January to get to know each other a bit better and we normally also host a parents' braai to help you get to know each other, all in January.

Now that restrictions have eased, and we are allowed to meet in bigger groups and do a few more things. We can start to get to know each other. The first event we have planned is a braai for parents of grade 8s. This event is hosted by the parent's club and is planned for Friday 27 May between 17H30 and 20H00. We will have the fires ready, all you need to bring is your food and drinks.

It might be a bit chilly, but the fires should keep us warm. If you are keen to join us, complete this form, so that we have enough fire to go around.

We will be at Cordingley House (next to the Clothing shop)

I look forward to seeing you there.

Yours in education
