### AN INVITATION TO OLD ALEXANS AND ALEX ASSOCIATES TO JOIN ALEX IN HER PLATINUM JUBILEE CELEBRATION

Greetings All

We believe that Alex constitutes an indefinable quality which includes the contribution that You made: a SOUL; that is the sum total of the character of your Alma Mater which is good. This statement, which is made at each Celebration of Excellence, refers to it: *... whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things.* Let us add fun, laughter, tears, fellowship, curiosity, investigation, pranks, memories ...

2025 is upon us; the school is gearing up to celebrate 70 years of SOUL. Please see details concerning **PROJECT70** at the end of this message. Plans are afoot for productions, dinners, Family Day, reunions, a thanksgiving service and much more. We would love You to become involved. Please keep an eye on Alex's Facebook page and web site ([www.arhs.co.za](http://www.arhs.co.za)) and we also hope to share news via your year's WhatsApp group. Please forgive us if you receive this letter more than once via different channels. Pass it on!!

Alexans are spread out across the world and we're dreaming of the gathering of the clan!! We want to celebrate significant roles that Alexans play or have played in their communities and want you to identify your peers who have made an impact in their respective fields. Kyle Schimper, an Old Alexan and teacher, will communicate with Old Alexans concerning this part of our Platinum Jubilee Celebration. The ASEF Trust has enabled the school to purchase 4 commercial 85" TVs – these will record a digital timeline and display Old Alexans you identify et al – we hope this will all be in place by October 2025.

The project for our 70th birthday will be to resurface the Dr Peter Manser astroturf at a cost of R 4m. With this in mind, we launch **PROJECT70**. We invite you to contribute R 70 or multiples thereof. I'm certain the Alex Spirit can make this happen! Any additional funds will go towards other worthy projects. Contributors will be informed from December 2025 of the outcome of PROJECT70. It will be wonderful if you choose to come on board. **Thank you!** See the **PROJECT70** form on page 3. On request, we can issue a Section 18A tax certificate for SARS.

I trust that you will get the sense of excitement as we plan for 2025, celebrate 70 years of Soul, and plough back into Alex. *Nil sine labore* lives on!

Blessings

Glenda
