ALEXANDER ROAD

High School

5 October 2026

Dear Alex Family Members

Opening of term 4 Newsletter

Welcome to the start of term 4 2026. We start the term at 07H45 on Tuesday the 6th of October. Term 4 is a short but very intensive term. We will be starting exams in the week starting on the 19th of October. As you can see we have very little class time left this term in order to get ready for the final exams. That is why it was so disappointing to note the high absentee rate in the last week of last term. Please ensure that you send your child to school right until the last day of teaching. Grade 12s are to attend school for all of this week until the end of their valedictory assembly on Friday the 9th.

World Teachers' Day

Today is UNESCO World Teachers' Day. We celebrate and appreciate our teachers as the people at the front line of education, shaping the minds and hearts of children across the world. I would like to take a moment to appreciate our Alex teachers, past and present. The educational landscape is replete with challenges. While we consider ourselves fortunate at Alex to have the infrastructure and access to resources that make the work possible, our teachers do incredible work motivating encouraging and challenging them every day to be better. I am sure that you will join me in passing our deepest gratitude to our Alex Teachers.
