2 February 2024

Dear Alex Family Members

One down, eleven to go

It is hard to believe that January is behind us, if you blinked you might have missed it. We spend some time in December anticipating January and all that it will bring. It takes a while to get started with the holiday at the front end and then once it gets going it is suddenly gone. I consider the first term the golden months of the year. If you can get your productivity going, you set yourself up for a successful year.

This week was a prime example of how much you can cram into a week and still enjoy it. We kicked off on Monday with Societies day. An extravaganza of all the societies that we offer at Alex. It is a spectacle to behold. Each society is recruiting new members, showing off what they have to offer while dazzling the audience.

On Tuesday we took the rest of the individual photos of those who we missed on the first day.

On Wednesday we hosted a leadership seminar for our grade 12s and met with Grade 9 parents in the evening.

On Thursday the class representative voted for the member of the representative council of learners. The RCL elects 3 office bearers, who are full members of the SGB. We met Grade 11 parents in the evening.

From 04H30 today we were putting the finishing touches to our annual Girls' Waterpolo tournament, the longest running Girls' Waterpolo tournament in South Africa, which runs today until Saturday evening.

Phew and we still manage to fit some academics into the mix. If you would like to keep up with the rest of our term please look at the academic calendar for term 1: [found here](#)

Please could you keep a close eye on the arrival time of our children. We are very serious about them being on time and we will sanction them if they are late 4 times in one term. I know that there are things that can go wrong in the morning. We need to instil in our children the importance of being on time and being accountable. Please do what you can to support us in this area.

If you need to fetch your child during the school day, please could you email us to let us know, if you are aware in advance. This helps with the administration of the exit. If a child gets sick during the school day, we need them to report to reception and allow us to contact you. Please don't just arrive on instruction from your child. We cannot have anyone leave without us being aware. We are also weary of adults other than yourselves being called to fetch them. Please keep us well informed in this regard to keep them safe,

For anyone who did not get Alex hoop socks at the start of the year, the shop now has stock so you can now get what you need. Thank you for your patience in this regard.

Please remember the parents club meeting on the 7th of February at 17H30. If you are keen to help or just find out what we are up to, please join us. You are all very welcome.

As promised the names of the people who have earned the gold and silver academic badges based on their performance from last year.

An updated list of the award winners for the awards assembly on Monday the 12th of February is also included below the badge winners. The badges will be handed out at the Grade assembly next Friday.

Please remember our table of sharing and our used cooking oil collection.

Please keep yourself and those you love, safe this week.

Regards

Matthew Ridgway
Principal
